**RE: MX3 Rail & Civil Services Ltd.**

Power Pros Electrical Ltd. has contracted MX3 Rail & Civil Services for a number of EV charging projects over the past few years. These projects include civil construction for clients in both provincial and municipal government, as well as the private industry. MX3 has demonstrated their ability to meet demanding construction timelines while recognizing and adhering to stringent Health and Safety requirements. We will continue to engage them for future project opportunities based on their skills, competitive pricing, and their willingness to adapt in a continually evolving, fast paced construction industry.
