MX3 Rail & Civil Services and its ownership has been a trusted contractor of Keller Construction Ltd. for over 12 years.

MX3 has shown dedication to workmanship, budgets, efficiency, and most of all safety for all projects, from excavation, backfill to underground utilities. With our high-end clients in the petroleum sector and their need for quality on projects, we can always count on MX3 to back us regarding this level of excellence on projects.

Thank you.

Yours truly,

Keller Construction Ltd.
